**Subject:** Addition of new identification to the boiler models which are in the scope of certification pinned to 51BS3430 and 51BS3431DR

As Demrad, we declare that:

"Our boiler models YMK 8-9-10-11-12-13-14"

which are  
pinned on 51BS3430 for 90/396/EC  
pinned on 51BS3431DR for 92/42/EC

are also going to be produced with the following identifications

"Models MK-S 8-9-10-11-12-13-14".

The old identification is still going to be valid in the production.  
We would like you to add new identifications into original certifications.

We hereby confirm that, we are going to manufacture "MK-S 8-9-10-11-12-13-14"  
models without any modification to existing models "YMK 8-9-10-11-12-13-14".

Yours truly,
